

# Apple Salad

Printed from Salad Recipes at <http://www.saladrecipes.org/>

*A crisp, refreshing and fruity salad perfect for summer picnics or elegant dinner parties. The traditional salad is crunchy, sweet and creamy. Make ahead of time and chill overnight, or whip up a batch since the simple recipe only takes minutes to prepare.*

## Ingredients:

5 medium apples (red delicious or similar variety)  
1/2 c. celery, sliced  
1/2 c. chopped walnuts  
1/2 c. mayonnaise  
1/2 c. raisins  
1/4 c. lemon juice  
1 head iceberg lettuce, washed and dried

## Directions:

1. Core and peel apples. Cut into 1/2-inch cubes.
2. Sprinkle apples with lemon juice and toss to coat evenly.
3. Combine apples, celery, nuts, mayonnaise and raisins. Mix thoroughly and chill for 2 hours or overnight.
4. Serve atop fresh lettuce leaves, garnished with chopped nuts if desired.
